- ⊘** It is forbidden to apply adhesive or any other fixing system that damages the floor. Please, use paper tape before any other type of tape.
- It is forbidden to stick any kind of object on the walls or beam.
- !** The maximum capacities of the rooms have been calculated with the greatest use of space in mind, so they may vary depending on the layout chosen.
- The suspension of infrastructures, such as truss, lighting, projection, sound systems, and others must always be pre-approved by the Congress Centre.
- Be careful when passing heavy materials (pallet trucks, lifting platforms, etc.) over floor boxes.
- The facilities must be handed over in the same conditions as before.
